## Good Citizens of Our County:

a hatta hatta hatta hatta hatta hatta hatta

We have leased our Fair Grounds for this season to Judge C. C. Givens, of Henderson, Kentucky. We take this method of introducing and recommending to you this gentleman, a man who hails from the old school of culture and refinement; he 3 is managing editor of the Henderson Gleaner, president of Commercial and Business Men's Club of Henderson, a thorough-gentleman and business ? man; we trust our friends and the citizens of this and adjoining counties will appreciate and realize the importance of their co-operation in maintaining and aiding this man in his efforts to make this the best County Fair in the State. Judge Givens comes to us feeling that he is only one man, and his great and unlimited experience in conducting fairs in this and other states has revealed to him the fact that in unity there is strength, so he solicits the support of all people and is trusting in their lovalty.

The Fair dates have been selected for July 25, 26, 27 and 28th, and in my opinion no better time for a fair in this County could have been established; crops will have been cultivated, harvest and wheat threshing finished --- an ideal time for our recreation, so lets all be Boosters and contribute to this fair cause.

Gratefully yours,
